# Wolters Kluwer E-Sign

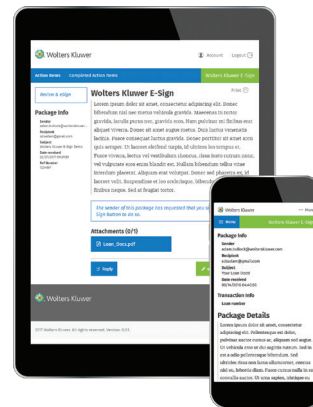

The new generation  
of e-signature

In order to keep up, you need to meet your clients where it matters. Whether it's on your smartphone, tablet or desktop computers, Wolters Kluwer E-Sign can take you anywhere you need to go.

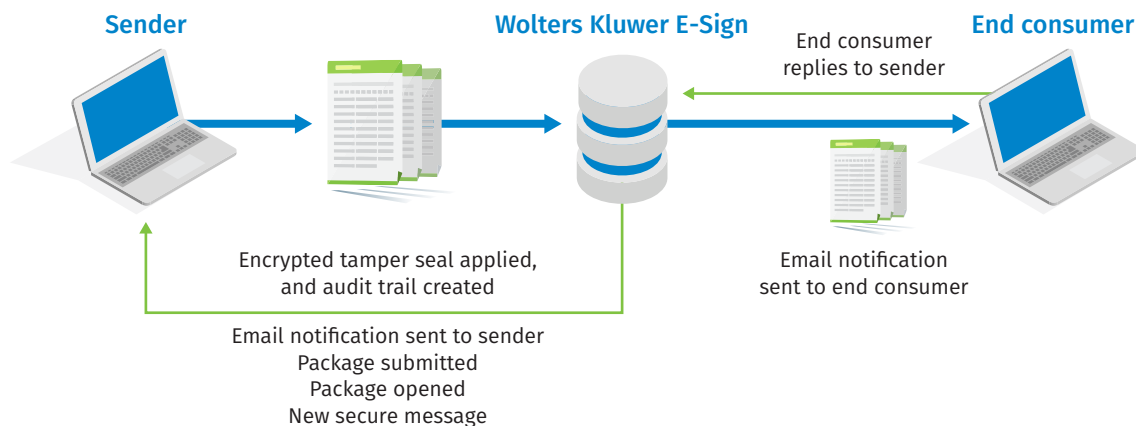

The intuitive, mobile-first technology caters to clients in any area, and compliant documentation gives you more options to communicate, share, and sign documents, to conduct business more efficiently. Wolters Kluwer E-Sign helps redefine your client's experience – providing fast, secure, and app-free access to your banking services. One-click digital signing helps eliminate back-end bottlenecks to close deals quickly. In an industry where timing can be everything, Wolters Kluwer E-Sign keeps your business moving forward.

Wolters Kluwer E-Sign is the only e-signature provider created specifically for the banking industry. We understand how important it is for you to save time, reduce risks, and streamline the user experience for your clients. Built in the cloud, our solution requires minimal set up on your end and eliminates the need to sort and file physical documents. We make sure to track every document the second it is added to our system, speeding up an otherwise time-consuming audit process. Our extensive regulatory knowledge is built directly into the platform, automatically ensuring every detail is fully E-SIGN and UETA compliant in the U.S. Multi-factor authentication and powerful encryption ensure total security. Wolters Kluwer E-Sign even provides a secure print and ship fulfillment option in situations where e-signatures won't work.

## Wolters Kluwer E-Sign can:

- Provide **ESIGN and UETA** compliance in the U.S.
- **Print and ship** fulfillment option when electronic won't work
- A **robust security** system including multifactor authentication and powerful encryption
- Keep track of documents - **one audit trail** for financial institutions and their regulators
- Reach a **broader client base**

Built for convenience, your clients will appreciate the ability to securely view, sign, and track their digital paperwork from anywhere they choose. You'll appreciate how simple and hassle-free it is to get started.

A signature is more than just a name, it's an identity. It should go where you go and be there when you need it. Make that happen for your clients with Wolters Kluwer E-Sign.
