### Industries

Drill down through industry subsectors to view percentage of revenue. Click an industry on the left to reveal other companies participating in the same arena on the right.

The screenshot shows the Clarion web application interface for Toyota Motor Corporation. The top navigation bar includes 'Wolters Kluwer', 'WK Products', 'Logout', and 'Clarion'. The main header displays 'Toyota Motor Corporation' with a search icon and a breadcrumb trail: 'Industrial and Materials > Industrial Manufacturing > Transportation Equipment > Consumer Vehicles > Cars'. Below the header, there are navigation links for 'Competitors', 'To Dashboard', and 'Countries'. A 'Download' button is visible in the top right area.

The left pane, titled 'Industries', shows a tree view of revenue percentages for Toyota Motor Corporation, with a total revenue of \$252.51B. The categories are:

- 91.27% Industrial and Materials
- 91.27% Industrial Manufacturing
- 91.27% Transportation Equipment
  - 91.27% Consumer Vehicles
  - 91.27% Cars** (highlighted)
- 8.73% Finance

The right pane displays a description of the 'Cars' sector: 'Cars, light trucks, (including vans), and sports utility vehicles, designed primarily for transportation purposes on paved streets.' Below this, it lists 'Other participants in "Cars" 72' and provides details for three companies:

- Volkswagen AG**: Country HQ: Germany | Exchange: ETR | Ticker: VOW-DE | CIK: 839772 | SEDOL: 5497102 | \$169.26B revenue in "Cars" | \$229.16B total revenue
