

# eBooks from the American Diabetes Association

The American Diabetes Association is leading the fight to Stop Diabetes® and its deadly consequences and advocating for those affected by diabetes. Founded in 1940, their stated mission is to prevent and cure diabetes and to improve the lives of all people affected by diabetes.

The American Diabetes Association is the world's leading publisher of diabetes books for health care professionals and people with diabetes—and now you can access these indispensable titles via the Ovid platform!

## *Authoritative Texts from the Diabetes Experts*

- **Uncover 16 must-have online books covering a range of topics and subjects in diabetes care, management, and patient education**
- **Take advantage of flexible pricing options: one-time purchases and annual subscriptions are available**
- **Simultaneously search all eBooks from the American Diabetes Association together with subscribed journals and databases, using only one search query**
- **Select individual titles or purchase the entire collection**

## Why ADA eBooks on Ovid?

- Natural language searching makes it easy to find what you are looking for without complex terminology
- Relevancy ranking in search saves time by delivering the best possible results
- Enjoy seamless linking to full-text journals and databases, even resources outside of the Ovid environment
- Flexible search and browse options: Quick Search for fast results; browse by title; browse by subject; or navigate a single, expandable table of contents
- Time-saving workflow tools, including: search results annotations and flexible search results sorting
- Download MARC Records for any book for your OPAC
- Take advantage of Ovid jumpstarts, hyperlinks to chapters, topics, tables of contents, and more
- Download and save book chapters as PDFs!
