The benefits of AudioDigest Platinum:

Over 5,000 accredited lectures:

Thousands of courses accredited for MDs, NPs, Pas, RNs, CRNAs, Dietitians and Certified Diabetes Educators.

High-quality content:

Our editors listen to thousands of presentations each year – and only publish the best 10% so you are always on the cutting edge.

CME, CE, & MOC credits:

CME/CE credit is available for every lecture, with the potential to earn *AMA PRA Category 1 Credit™* and MOC on most courses in the library.

Flexible learning:

Listen to lectures anytime, anywhere – On a computer, laptop, tablet, mobile device, or vehicle streaming service.

Industry-leading tools:

All courses come with pre- and post- tests and written summaries. Plus, learners can use the AudioDigest credit tracker to easily keep track of progress to state licensure requirements.

Personalized recommendations:

Discoverable courses and search results are customized based on each clinician's individual scope of practice and areas of interest.

More about the AudioDigest mobile app:

Save time with upgraded app features:

- Now accessible through Apple CarPlay.
- Easily find courses you last played, downloaded, or added from search.
- Discover new lectures with improved filtering and sorting capabilities.
- Set up notifications for when new content is available on topics you care about.

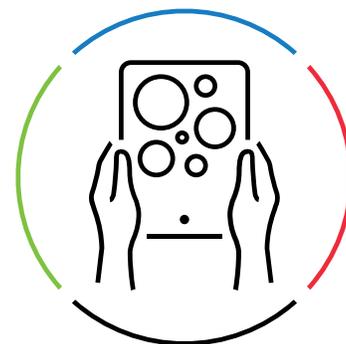

Stay on top of licensure and state requirements:

- Earn CME/MOC directly within the app, including downloading or emailing transcripts.
- Map your progress toward requirements of your state and specialty on the credit tracker dashboard.
- Easily track multiple state requirements.
- Automatically report your MOC points to your specialty board.
