

LWW Health Library

Pharmacy Collections

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

Select from four **LWW Health Library: Pharmacy** collections, depending on topical area of focus and level of learner. All four are perfect as part of a curriculum or self-study, and are designed for acquiring fundamentals and preparing for exams and professional practice.

4 Content Packages for PharmD and Pharmacy Training Programs

LWW Health Library Pharmacy Collections include:

- Core, field-leading textbooks in pharmacy practice, pharmacology, biochemistry, pathology, and more
- Videos depicting techniques and procedures as well as key topics
- Self-assessment questions for identifying areas where users need the most support
- Case studies presenting real-world scenarios of the concepts in the textbooks
- Content updated regularly!

Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia tools for teaching, learning, and practice.

- **Highly-rated references:** Access trusted, core texts from Lippincott Williams & Wilkins, making it a one-stop, digital portal for authoritative content paired with industry-leading functionality.
- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added.
- **Quizzing:** Create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation.
- **Ovid MEDLINE widget:** Connect students to valuable primary literature with an exclusive search widget, which returns targeted results and article previews.
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource.
- **Responsive Design:** Browse content on your computer, tablet or smartphone with ease.
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give learners control over their progress and motivation to learn.
- **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates.
- **Print/save a chapter:** Download chapters via PDF, for easy access to content when offline — for note-taking or to print.
- **Multimedia ancillary content:** Access videos, images, Q & A, patient education handouts, and more.

LWW Health Library: Pharmacy Collections
