
Journals@Ovid

Centralize your journal subscriptions through Ovid® and enhance your workflow efficiency.

Discover the advantage of unifying your institution's journal subscriptions on Ovid®, where variety and prestige meet. Our platform not only features Lippincott®, Williams & Wilkins (LWW) titles and those published in collaboration with leading societies, but also offers an extensive range of titles from our esteemed partner publishers. Explore our comprehensive selection of publications and find the ideal fit for your organization's unique needs.

With Ovid®, you gain a single access point with one login, simplifying processes and elevating user convenience:

- ✓ Choose from over 1,200 available titles.
- ✓ Customize your experience by selecting individual journals or convenient collections.
- ✓ Organize and manage all your research in a dedicated workspace.
- ✓ Conduct simultaneous searches across all Ovid full-text, bibliographic, open-access, and multimedia content using just one query.
- ✓ Experience intuitive browse and search functionality with various search modes, including natural language.
- ✓ Utilize customizable features and time-saving workflow tools such as in-line abstracts, annotations, and saved searches.
- ✓ Stay current with electronic access to select titles before they are published in print.
- ✓ Stay informed with the latest theories, developments, and techniques through AutoAlerts and RSS feeds.
- ✓ Explore groundbreaking, historical research and foundational scientific literature through purchasable journal archives.
- ✓ Enjoy remote access to your resources anytime, from any device, with responsive design.
