

Journals@Ovid

Field-Leading journals in medicine, nursing, and health sciences from the world's leading publishers - accessible 24/7 using the precision search and discovery of Ovid.®

With a growing list of over 1,400 premium titles in medicine, nursing, allied health, behavioral sciences, and science, Journals@Ovid offers a unique combination of currency, quality, and access to create a customized electronic journal solution perfect for your institution.

Responsive design, comprehensive browse and search functionality, and intuitive navigation help get you to the research you want quickly. And you can simultaneously search journal content of books and databases using natural language processing or advanced search tools.

Why Journals@Ovid?

- ISI Impact Factors for more than 79% of journals on Ovid*
- One-click access to 100% searchable full text (except PDF-only journals), including every word, graphic, and caption
- Responsive design for optimal viewing experience
- Related article functionality that expands research scope and helps organize your material
- Ovid Term Finder that allows you to instantly add search terms to a current search
- Time-saving workflow tools like inline abstracts, annotations, saved searches, and more
- Downloadable MARC Records for any journal for your OPAC
- Email alerts when new issues are available and electronic tables of contents (eTOCS) delivered via RSS feed or email
- Access to all Journals@Ovid tables of contents and abstracts
- Debit accounts to manage individual user access
- Intuitive browse and search functionality to help filter and hone searches for precise results

**2020 Journal Citation Reports (Clarivate Analytics, 2021)*

Journals are available individually or as part of a collection. Archives are available too!

- Uncover current research material in medicine, nursing, and other disciplines from over 30 publishers and societies, including LWW, Elsevier, Wiley, Oxford University Press, Sage, and BMJ.
- Choose single titles or convenient collections.
- Select titles available electronically prior to print publication.
- Add journal archives, for groundbreaking foundational scientific literature.
- Take advantage of Ovid's powerful search functionality, time-saving workflow tools, and intuitive interface.
- Easily integrate your Journals@Ovid resources with your institution's Ovid and non-Ovid journal, book, and database holdings.
- Enjoy EXCLUSIVE online access to Lippincott® journals via Journals@Ovid.
