

HMDA Wiz® with Fair Lending Wiz® Lite

Simplify HMDA reporting, collection, and analysis while also harnessing the power of a robust analysis tool that empowers quick action against unfair lending practices.

HMDA Wiz with Fair Lending Wiz Lite

In today's digital regulatory landscape, where regulations are constantly evolving to enhance consumer protection, financial institutions may find it challenging to ensure their HMDA and Fair Lending practices meet the latest requirements.

Import, collect, edit data, create data scrubbing detail and summaries, and submit reports for HMDA with Wolters Kluwer's easy-to-use digital solution, HMDA Wiz.

HMDA Wiz functionalities at a glance

Filter – slice and dice a chosen data file using intuitive tools for managing both simple and complex records

Edit – data validation is now easier, with visual cues to help determine which data points require more attention

Geocoder – compliance-grade to standardize and geocode address data

HMDA pricing – helps monitor rates against relevant treasury rates from within a compliance system

Front-end HMDA management – Automates compliance management by integrating directly with LOS

Regular updates – keep up to date with the latest requirements and minimize noncompliance
