

# NEJM Catalyst Innovations in Care Delivery on Ovid®

## Innovative, practical, and cost-effective solutions for transforming healthcare

**NEJM Catalyst Innovations in Care Delivery**, published by NEJM Group, delivers the latest innovations, big ideas, and practical solutions for healthcare delivery transformation. Thought leaders and experts share unique perspectives and real-world examples of actionable solutions to help organizations address urgent challenges affecting healthcare. NEJM Catalyst: Innovation in Care Delivery, along with the *New England Journal of Medicine* and other NEJM Group publications, is available online to institutions via the Ovid platform — and subscribers have access to content on both Ovid and Catalyst.nejm.org.

### Why NEJM Catalyst Innovations in Care Delivery?

Now more than ever, embracing innovation is not just a choice – it's a necessity. Quality and clinical leaders are determined to advance improvements in care delivery.

It's vital for medical libraries to provide Quality teams and educators access to the latest innovations in care delivery to inspire systemic transformation and make significant contributions to the evolution of healthcare.

**NEJM Catalyst Innovations in Care Delivery serves as a critical resource for healthcare leaders intent on creating real and lasting change in care delivery.**

Content is easy to read and grounded in clinical context so healthcare leaders everywhere can absorb, understand, and use the information in their practice to improve patient outcomes.

### About NEJM Group

NEJM Group, a division of the Massachusetts Medical Society, offers a collection of journals and content resources with breakthrough research and information that changes practice and improves the delivery of patient care. Resources maintain the highest scientific standards so practitioners, researchers, educators, leaders, and medical professionals keep current with the latest discoveries, develop skills and knowledge, implement practical solutions, develop policies, and improve teaching and learning.

NEJM Group resources on the Ovid platform include the *New England Journal of Medicine*, *NEJM Evidence*, *NEJM AI*, *NEJM Catalyst Innovations in Care Delivery* journals, as well as the *NEJM Archive* and *NEJM Clinician*.

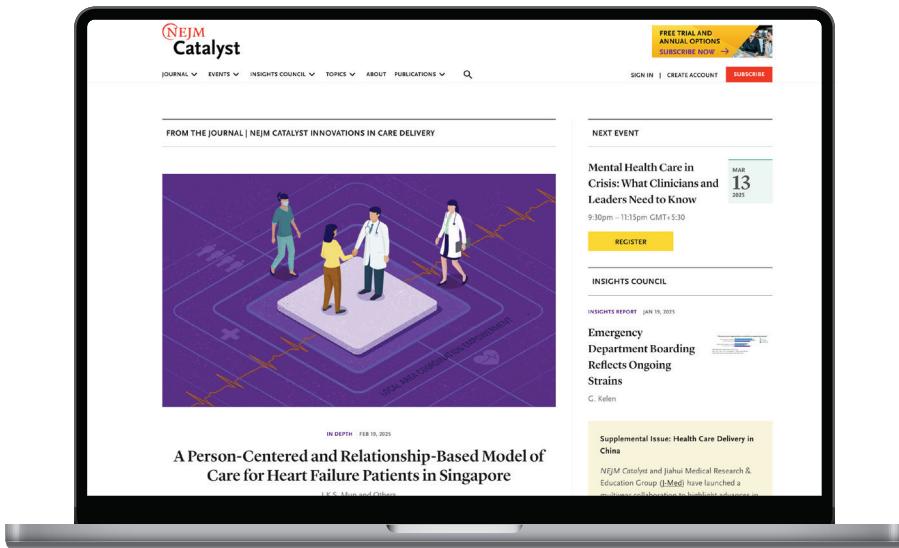

## The value for your institution:

### Practical solutions

Clinicians will find real-life examples and actionable solutions that enhance the value of health care delivery.

### Industry relevance

Research reports based on results from surveys of the NEJM Catalyst Insights Council, 17,000 healthcare leaders provide valuable insights.

The screenshot shows the NEJM Catalyst website. The main header features the NEJM Catalyst logo. The navigation bar includes links for JOURNAL, EVENTS, INSIGHTS COUNCIL, TOPICS, ABOUT, PUBLICATIONS, and a search bar. A prominent yellow banner at the top right offers a FREE TRIAL AND ANNUAL OPTIONS with a SUBSCRIBE NOW button. The main content area displays a featured article titled "A Person-Centered and Relationship-Based Model of Care for Heart Failure Patients in Singapore" by L.K.S. Man and Others. Below this, there's a section for the "NEXT EVENT" titled "Mental Health Care in Crisis: What Clinicians and Leaders Need to Know" on March 13, 2023, with a "REGISTER" button. Other sections include "INSIGHTS REPORT" on "Emergency Department Boarding Reflects Ongoing Strains" by G. Kelen, and a "SUPPLEMENTAL ISSUE: Health Care Delivery in China". The footer of the website is visible at the bottom of the screenshot.

Join top health systems and hospitals like New York Presbyterian, Mayo Foundation, and the Veterans Administration who have already invested in this invaluable resource.
