## CRITICAL CARE

### Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

**LWW Health Library: Critical Care** is the only textbook/multimedia resource of its kind. Content is laser-focused on Critical Care and provides residents in Internal Medicine, Anesthesiology, Emergency Medicine, and other specialties with a unifying curriculum that address topics across multiple ICU rotations. With Health Library, they'll gain confidence in their training, acquire critical medical-surgical knowledge, minimize errors in a stressful clinical setting, and learn the right treatment and management approaches for severely ill patients.
