Expere[®] Consumer Default

Expere Consumer Default offers warranted, compliant content that financial institutions need to manage the consumer default process.

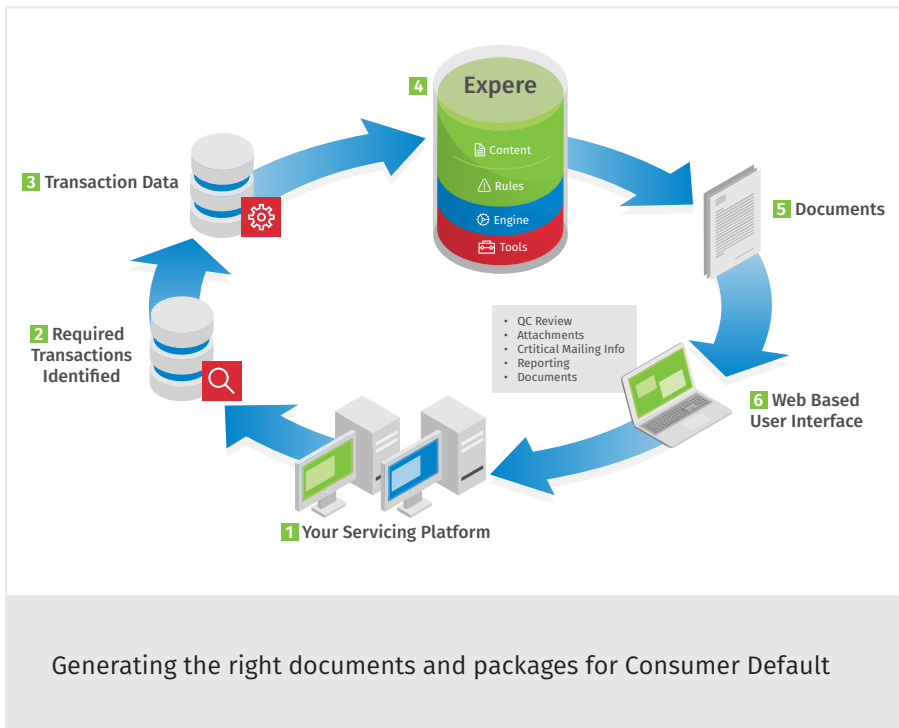

Expere is an enterprise compliance content system powered by a vast knowledge base of compliance content and rules that are developed, maintained and warranted by Wolters Kluwer. Our industry-leading content is supported by our expert team of compliance professionals including attorneys and CRCMs who focus solely on monitoring regulatory issues and trends on the federal and state level.

Expere Consumer Default

The Expere Consumer Default solution includes warranted content for vehicle default and repossession related notices in all 51 U.S. jurisdictions. Expere Consumer Default supports both direct and indirect lending, retail sales and leases. It is an efficient and compliance focused way of managing all aspects of consumer default documentation—from automated document selection, assembly and packaging to content development, testing, integration and deployment. Wolters Kluwer offers complete print and mail fulfillment services, keeping you compliant with statutory mailing and delivery methods.

The Expere Consumer Default solution supports all 51 U.S. jurisdictions for default and repossession related notices such as:

- Notice of Right to Cure
- Notice of Plan to Sell
- Explanation of Calculation of Surplus or Deficiency

Expere Consumer Default Supports Batch Processing

Batch processing support through Expere allows servicers to:

- Import transaction data files
- Preview and approve documents prior to delivery
- Submit required ancillary documents
- View and reconcile transactions
- View and track critical delivery/ mailing information
- Export images of mailed documents
