

# LWW Nursing and Health Professions Premier Collection with Ovid® Emcare

The LWW Nursing and Health Professions Premier package offers access to leading nursing and health professions journals from Lippincott®, combined with extensive bibliographic and abstract data from the Ovid® Emcare database. Fully cross-searchable with all Ovid® content, this collection provides up-to-date, high-quality research essential for patient care, education, and decision-making, leveraging Ovid's powerful tools to support nurses and health professionals across organizations worldwide.

Ovid®  
exclusive

89  
full-text journals

Over 75%  
of journals with  
Impact Factors\*

## Why LWW Nursing and Health Professions Premier?

- Get current, regularly updated content from one of the most prestigious names in nursing and health professions — Lippincott®.
- Simultaneously access bibliographic data and full-text resources.
- Users have seamless access to premium information from one of the world's most renowned publishers.
- Quickly build your institution's electronic nursing journal portfolio.
- Enjoy cost-effective collection pricing, lower than per-title costs.
- Access content from selected journals before they are available in print.

## Enjoy the benefits of the Ovid platform:

- Take advantage of a variety of search modes — including natural language — and customizable features, functionality, and tools.
- Search simultaneously across all your Ovid full-text, bibliographic, Open-Access, and multimedia content using just a single query.
- Organize and manage all Ovid and non-Ovid research in a dedicated work area.
- Stay up to date on current and upcoming theories, developments, and techniques with AutoAlerts and RSS feeds.
- Search filters fine-tune and refine searches.
- Award-winning consultative support services are available 24/7 in 20+ languages.
- **NEW!** AI article summaries on proprietary Lippincott journals\* capture the essential details of articles in a consistent format.

*\*not included for closed frontfiles*
