

LWW Nursing and Health Professions Premier Collection with Ovid® Emcare

This unique package combines the expansiveness of Ovid Emcare—millions of records, continually updated with the power and prestige of over 80 of today's top nursing and health professions journals from the industry leader, Lippincott®.

At Ovid®, we know that quality of care is a top priority and it depends on access to the most current medical research information available. These premier titles are used by nurses, nursing students, and health professionals around the world on a daily basis. This collection provides a convenient and affordable way to give your users access to some of the best titles addressing today's nursing and allied health topics.

All titles are cross-searchable with all of your other Ovid content and benefit from all of Ovid's powerful research tools—ensuring your staff and users get the most out of this great content.

Access to over 80 Top Journals in Nursing and Health Professions PLUS millions of bibliographic records from Ovid Emcare

- Current, regularly updated content from one of the most prestigious names in nursing and health professions—Lippincott®
- Official journals from prestigious societies and organizations
- Simultaneous access to bibliographic data and full-text resources
- The latest nursing research findings, received weekly by setting up RSS feeds for journal eTOCs
- Powerful search functionality, timesaving workflow tools, and intuitive interface

Key Benefits of Ovid Emcare:

- Over 5 million bibliographic records derived from over 3,700 peer-reviewed, currently indexed journals
- Access to roughly 2,800 journals not indexed in any other nursing-focused database
- Content coverage spanning a wide range of nursing and allied health subdisciplines
- Broad scope of international content—more than any other nursing database
- Integration with the Emtree® thesaurus, which helps pinpoint searching and generates accurate results
