The expertise and reliability you need when you need for your structured finance, credit, real estate or securitization transactions. Meet crucial deadlines, simplify processes, and enjoy comprehensive independent director service on a global scale.

EXPERIENCE MATTERS: EXPERT TENURED INDEPENDENT DIRECTORS

Not only is CT Corporation the largest provider of Independent Directors in the U.S., but we also have the experience you can count on. For more than 30 years we have consistently earned the trust of clients who rely on our team of Independent Directors and their breadth of knowledge. Their complete grasp on the regulatory guidelines lends itself to seamless navigation through the often-complex requirements of even the most demanding lenders and rating agencies—something other low-cost providers are not as experienced with or qualified to handle.

FAST, RELIABLE TURNAROUND TO MEET YOUR CLOSING DEADLINES

There's no time to delay when a director vacancy needs to be filled before closing. CT's simple, hassle-free procedure will ensure your documents are signed, processed, and returned in a timely manner. Our experienced and knowledgeable staff will be able to handle your transaction, no matter how large, within a few hours if needed.

STRAIGHTFORWARD, COMPETITIVE PRICING

CT provides simplified "per entity" pricing. Thus, the number of directors and/or positions an entity requires will not affect your costs. Even if a director is appointed to an additional position, such as a Springing Member, your rate remains the same. Your costs do not increase – there are no hidden fees.
