

Telehealth Survey Results

We asked clinical nurse educators, hospital educators, directors, and clinical admins about their telehealth experience.

Clinical Educators and Admins would like more information on:

Optimizing the patient encounter in telehealth.

Training on how to deliver telehealth.

Learning about IT solutions for telehealth.

Using telehealth to promote health equity and inclusion.

Updates on telehealth.

- 19% Privacy/Security/Data Security
- 11% Finding billing and regulatory information
- 11% Billing and Regulatory for telehealth
- 7% Applying billing and regulatory information into practice
- 0% Other
- 11% None

Interest in Telehealth Resources

$\frac{1}{2}$ Articles in telehealth technology

more than $\frac{1}{3}$
