

UpToDate

Clinical answers at the point of care with mobile and remote access to UpToDate

More than 12,800 topics across 25 specialties

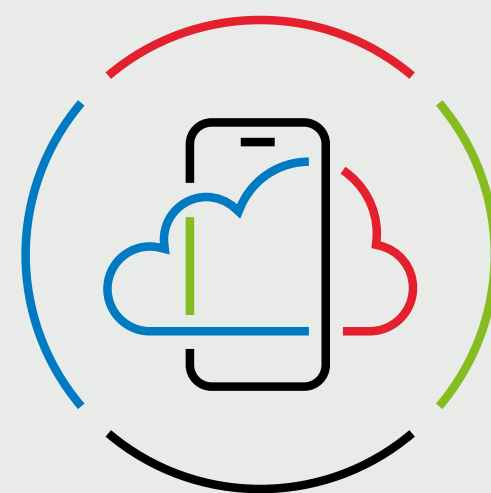

More than 9,900 graded recommendations

More than 7,900 unique drug entries

More than 1,900 patient education topics

By registering for an UpToDate® account at your organization, you'll receive:

- Free UpToDate Mobile App for your iOS® or Android™ device
- Remote UpToDate access from outside the hospital network
- Free continuing education credits (CME/CE/CPD) when you research a clinical question

Registration is easy:

- Navigate to www.uptodate.com from the hospital network or via the embedded link within the EHR
- Click the Register link in the top right of the page and complete the registration page
- Login with your organization's username and password
- Receive a confirmation email from UpToDate with instructions on downloading the Mobile App
