Expere[®] Loss Mitigation

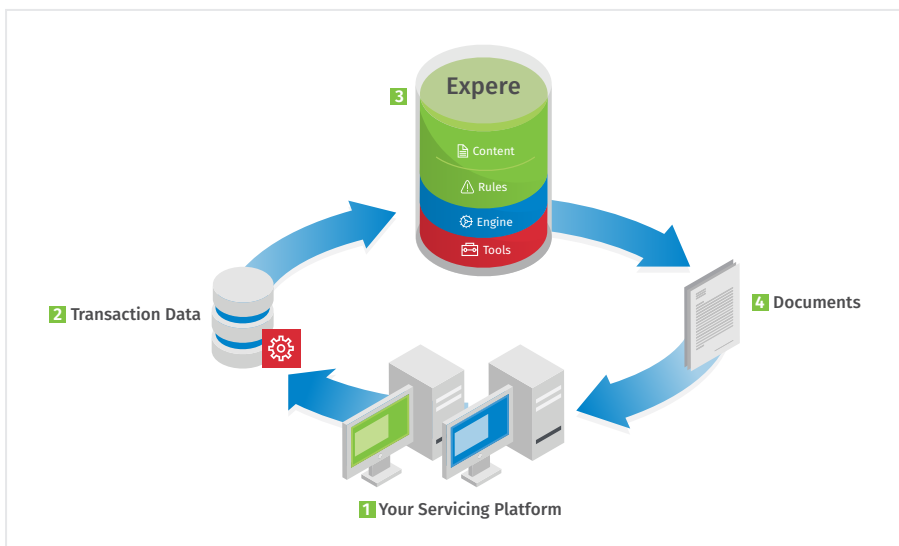

Today's complex regulatory environment demands a new way of managing document compliance. As the industry leader, only Expere offers the compliant content that financial institutions need to continue to grow safely and profitably.

Expere is an enterprise compliance content system powered by a vast knowledge base of compliance content and rules developed, maintained and warranted by Wolters Kluwer. It improves efficiencies and encourages growth across the entire enterprise by managing all aspects of compliance documentation – from automated document selection, assembly and packaging to content development, testing, integration and deployment.

To date, over 2,000 financial institutions use Expere, including five out of the top 10 U.S. banks and 60 percent of the top 30 financial institutions.

Expere helps financial institutions:

- Meet stringent regulatory requirements
- Proactively manage change
- Deliver compliance consistency across all lines of business
- Generate a positive customer experience
- Loss Mitigation for Sound Decision-Making

Generating the right document and packages for loss mitigation. Expere Loss Mitigation also supports batch processing.

Expere features both standard and proprietary Loss Mitigation content and rules maintained and warranted by Wolters Kluwer. Expere's Loss Mitigation workflow helps lenders determine the best strategy for each borrower's unique situation and accurately follows our client's specific business rules for sound decision-making.

Categories of loss mitigation documents available within Expere's Loss Mitigation offering include
