

HOUSE RULES OF THE COMMON MARKET LAW REVIEW (2025)

The Common Market Law Review is conscious of its position as the oldest specialized review in the field of European law, and of its avowed aim to promote academic discussion which goes across national boundaries. With this in mind, we ask our authors to make a special effort to acquaint themselves with the academic discussion on their particular topic in countries other than their home State. Only in this way are we able to offer our readers the highest level of intellectual and legal analysis, and to achieve real developments in a particular debate.
